## Meet Your Instructors...

**JENNIFER FEENEY** • Jenn has been passionately teaching in the Hingham area for over 26 years. She earned her degree in Dance and Business at Bridgewater State University. During her years at BSU she was a member/choreographer for the BSU Dance Company. Her unique style combines classical technique and modern dance elements to create a fun and

entertaining style-dubbed **Funky Feet**.

Being an innovator, she created *The Funky Nutcracker*, an annual holiday favorite with a twist of Funk for dancers of all levels. Jenn has had the privilege of coaching the Hingham High Dance Team for the last 16 years. A highlight of her coaching career was leading her team to perform at two Orange Bowls in front of thousands of football fans.

Some of our Funky Feet Dancers have also had the honor of being Ivvia clothing ambassadors, counselors for Pulse/Nexus Dance Convention, opened for the Boston Celtics and have competed and performed at local Dance Competitions. Jenn is extremely grateful for her Funky Fam students new and old. She is also very proud to be a wife and mother to her supportive husband Bill and their three wonderful children.

**APRILE LYNCH** • Aprile is trained in all aspects of dance and has been sharing her passion with hundreds of children and adults in the Hingham community for over 26 years, at both recreational and competitive levels. Aprile grew up dancing. Her love for mentoring children and building confidence is truly a passion of hers. Aprile's classes are filled with high energy and fun. She also teaches dance fitness for all ages.

**ERIN EDGERLY** • Erin began dancing at the age of three and her passion for dance is contagious! While earning a degree in Dance at Salve Regina University, Erin studied ballet, tap, jazz, lyrical, and hip hop, as well as choreographed for the Extensions Dance Company and SRU Dance. Erin has taught throughout Rhode Island and Massachusetts, and has danced alongside Jenn for over 23 years. Erin is now an Elementary School Guidance Counselor in Quincy and lives in Weymouth with her husband and three children.

**CASSIE MARTINSON** • Cassie began dancing at the age of three and hasn't stopped since! She started teaching in 2006, and immediately discovered her love of teaching children body awareness through many aspects of dance. Cassie went to school for education and psychology and obtained her Master's Degree as a reading specialist, but decided to put that on hold to pursue her career in dance and fitness. She is passionate about providing a fun environment in her dance classes and building self-confidence and self-expression through movement. Outside the studio you can find Cassie teaching barre, POUND, cycle, or spending time around town with her family.

**KRISSY LITCHFIELD** • Krissy has been teaching dance for over 23 years. Her primary focus has been ballet, but she also has training and experience in a wide range of dance forms. She attended the Boston Ballet school in her youth and danced at her family-owned dance studio from the age of 2. She studied dance at Roger Williams University and continued training into adulthood at the Jeannette Neil Dance Studio, Boston. Krissy lives in Whitman with her husband and two children. She loves teaching dance and especially enjoys passing on her love of this beautiful art form to her students.
