**Pick-Up Release Wavier**  
***Fun Time Session 2022***

Dear Parents,

In order to provide our staff with the necessary release and pickup information we are asking that you please take the time to complete the release wavier provided below. By completing this waiver the number of notes received on a daily basis will be dramatically decreased and will allow our staff to be more aware of your different transportation arrangements prior to the beginning of each session. **Please note that it is only necessary for children who will be picked up by someone other than a parent \*or picked up by a parent with a different last name\*.**

Thank you for your cooperation. We are looking forward to a great summer here at Hingham Recreation! **NOTE: All adults picking up children will be required to present a valid driver's license.**
